Honda CR-V - Generation 1.2 (1999-2002)

HONDA CR-V (1999-2002)

While it may still have the same face (try to look harder), it does have a new engine under the hood. The 150hp in the 2.0 engine comes standard and an upgrade from the 126hp of the older model. Other than that, an optional Sound Cruiser package can be had and an orange color for a fee.

[See the overview of this CR-V](#)
